Sales Order Policies

This form only needs to be filled out once and will be kept on file for future reference.

THIS FORM MUST BE SIGNED by the responsible party before any order will be initiated. The responsible party is the trade representative named at the top of the sales order.

ALL PRICING is net pricing. We are a trade showroom and do not have retail pricing. We will do our best to not release pricing to your clients without your authorization, but the best way to protect your interests is for you to be present with your client in the showroom.

PAYMENT can either be made with a Mastercard/Visa or check. A **50% deposit** is required before any material is ordered with the remaining balance due upon arrival of material to Antique Floors. On ship direct orders **payment in full** is due before the material is ordered.

FREIGHT & HANDLING CHARGES are not included in the material price. Freight charges are determined by the weight, quantity, origin of the material, delivery method, and location. Handling charges are given by the manufacturers and are determined by the quantity of material ordered. These charges appear on the sales order as a separate line item from the material.

TEXAS STATE TAXES will be collected unless the one of the following applies:

- **Resale Certificate** is on file with a current tax ID number
- **Out of State** – the material is shipped from one state to another without entering Texas. If the material is either shipped from or delivered to a Texas address, state and local taxes apply.

NO CANCELLATIONS OR RETURNS will be accepted once the order has been processed. If there are extenuating circumstances and the manufacturer agrees to accept returned material there will be a **minimum 35% restocking fee plus return freight charges**.

INSTALLATION ALWAYS CONSTITUTES FINAL ACCEPTANCE and no allowances, financial or otherwise, will be made.

DELIVERY DEADLINES cannot be guaranteed. We try to give you the best estimation of delivery time, but it is only an estimate. Antique Floors is not liable for any costs, losses, or damages due to slow, late, or non-delivery of goods.

STORAGE FEES may be charged on orders that are not picked up within 30 calendar days of notification that they are available and ready.

AT PICK UP you will be responsible for any balance due. If sending someone to pick up the material for you, please take care of the payment before they arrive. **Material will not be released unless paid in full.** On large orders, please call ahead.

ORDER WORKSHEETS with estimates of material may be provided as a courtesy to our clients. **The ultimate responsibility for determining quantities and other pertinent information rests solely with the client or representative.**

ALL CERAMIC & STONE products are subject to variation in color and texture. Most of our material is hand-crafted and subject to imperfections. No allowances will be made due to variation in material.

ORDERS WILL NOT BE PLACED until a sales order has been signed and payment has been made.

Ceramic and Stone Tile for Floors and Walls

Description of the type of business activity generally engaged in or type of items normally sold by the purchaser:

The taxable items described above, or on the attached order or invoice, will be resold, rented or leased by me within the geographical limits of the United States of America, its territories and possessions or within the geographical limits of the United Mexican States, in their present form or attached to other taxable items to be sold.
